Description

On behalf of the Assistant Secretary of the Army, Installations and Environment (ASA-I&E) and in accordance with FAR 6.3, the Contracting Center of Excellence (CCE) intends to execute an R&D contract under other than full and open competition sole source basis to A-Conversion LLC, a small business. The Government intends to demonstrate and test (establish cost effectiveness) of a patented system/process that converts asbestos and asbestos containing material into non-regulated waste. Period of performance is approximately 1 year. This notice is valid until 26 February 2006 and is NOT a request for proposals. The Government does not intend to submit a solicitation for proposals. The Government shall not be liable for, or suffer any consequential damages for any technical information provided. A determination by the Government not to compete this requirement based upon responses to this notice is solely within the discretion of the Government. Award is anticipated on or about 26 February 2006. Interested firms may submit capability statements or questions/comments pertaining to this notice via fax (703) 695-9747 or Email: Patricia.Denard@hqda.army.mil. Telephone requests will not be accepted.
